

The Browders, one of Southern Gospel's most exciting new artists, has signed a long-term recording and publishing agreement with Daywind Records. Named "Breakthrough Artist of the Year" at the Absolutely Gospel Music Awards in 2013, the Browders are coming off a record-setting achievement. Their last album featured three #1 songs and an additional four top 10 songs during its run. Their new recording, *Time Machine*, is a year in the making and will release to Christian retail and digital outlets on Tuesday, August 6, 2013, through Daywind Records. *Time Machine* features the hit single "He Is Alive," which debuted on the national radio charts at #34.

"Daywind is thrilled to focus our efforts on such a talented artist. The Browders have built a strong foundation for long-term success in Gospel music. From their songwriting skills to their energetic on-stage performances, they present the Gospel in a unique way to listeners of all ages," said Ed Leonard, President of Daywind Records.

The Browders are excited to join a team centered around building their ministry. "Daywind shares our vision to reach as many people as we can for Christ through the songwriting, vocal, and musical talents God has given us. Although we have enjoyed the time spent developing our ministry independently, we are excited that the Lord has opened this door for us to enter a new season. We believe the best is yet to come," shared Sonya Browder.

The Browders, based in Hiltons, Virginia, consist of Tommy Browder (acoustic lead), his sons, Matthew (rhythm guitar) and David (bass), and Matthew's wife, Sonya (piano). The group performs a full slate of concerts and holds revivals across the country. For more about the Browders, visit [www.thebrowders.com](http://www.thebrowders.com).
