

After a year and a half sabbatical from full-time music ministry, to attend to important family needs, Dave McVay is returning to music ministry with a new CD and is once again reaching out to pastors, music ministers, churches and concert promoters to schedule dates.

Dave states, " My time away has been important to my family. We took custody of our 6 week old granddaughter Chloe in August of 2011. She lived with us for almost a year. God truly worked a miracle in this situation! You can see a video of the story of our granddaughter Chloe and her miraculous adoption on my website www.davemcvaymusic.com " "God expanded our family! We not only still have Chloe in our lives, but her new family as well. We gained another 9 year old granddaughter, Alex, and a son & daughter in-law with Kevin and Andrea. God is so good!"

"Cool Clear Water" is the first single release from my new CD 'Across My Heart '.....on my private label DaveMcVayMusic. I am anxious to share it with southern gospel fans!" You may have heard songs from Dave's 2008 Crossroads debut solo CD 'Let Faith Answer'. It featured the songs "Bless Your Holy Name Again" "He Took The Cross" and "Breaking Chains". You might also remember Dave singing tenor with Three Bridges on songs like "Feel A Little Song Comin' On", "In The Sky" and many others between 2003 - 2007. " I look forward to getting 'back out there' to minister through music and pray the bookings will pour in as God provides!"
