

AbsolutelyGospel.com Editor-in-Chief and singer/songwriter Chris Unthank with his wife Noel are proud to announce the birth of their son – Canaan Deon Unthank.

Canaan was born on Tuesday, September 10, 2013. He weighed in at 8 lbs and was 20 inches long. Canaan is the Unthanks' first child.

Mother and Baby Unthank are resting well at the family's home in Murfreesboro, Tennessee.

Chris Unthank is no stranger to the Southern Gospel music community. Chris took over as Editor-In-chief for AbsolutelyGospel.com in January 2011 after the passing of his mother and site founder Susan Unthank. He is also a songwriter and member of Gospel music trio The Sunday Edition.

Noel is the daughter of Brenda and songwriter Johnny Lowrance ("Mender of Broken Wings") and the secretary at Turning Point Church in Murfreesboro, Tennessee where her father is the pastor.

Canaan is also the sixth grandchild of AbsolutelyGospel.com Publisher Deon Unthank who said "I am so excited, because while Canaan is my sixth Grandchild, he is the first one who lives close to me and I can hold, and spoil and aggravate him. When I first held him he cooed on pitch in the Tenor range."

Canaan is the nephew of AbsolutelyGospel.com's webmaster and soprano for The Sunday Edition, Amy Unthank.
