

What makes a good song? Some say a clever hook, or a unique melody. Those things are important, but the best songs are born from living: joy, pain, and questions. They hold on to truth, not trends.

The Talleys have created a stylistically diverse collection of classic songs paired with inspired new ballads—"Hidden Heroes" and "What We Leave Behind"—that pay tribute to parents whose legacy will stand the test of time.

"These songs have lasted because they're true. In a world that's always changing, these remain: faith, hope and love. These are the things that stand The Test Of Time." - The Talleys

The Talleys, one of the most beloved and respected groups in Christian music, bring their unmistakable style of progressive southern gospel to another signature release for the Horizon Records label.
