I have been a big fan of the Collingsworth Family for a couple of years now. Last year I had an opportunity to interview them for a spotlight on Tunes4Him.com and I was very impressed with the entire family, not only their talent but their love of Christ and spreading the Gospel message!

"The Blood Of Jesus" was written by Kim Collingsworth and it reminds us of the importance and the power of the Blood of Christ! "We Still Believe" is a Ronnie Hinson song and this upbeat song proclaims the message that we still believe that we are just about to leave this old world! "When God Whispers" is a beautiful ladies trio from Kim, Brooklyn and Courtney. The song is beautifully done and is a great blessing. The talent of this family goes far beyond their voices. They are incredible instrumentalists as well and Phil does a great Trumpet Medley next. "He Already Sees" is a song with a message of hope as it reminds us that even when we can't, God sees the rainbow at the end of our storm.

"Not The Same" features the entire family on vocals and what a song! The fast paced song reminds us that we are not the same once the Savior touches us! "I Can Trust Jesus" is a song written by Gerald Crabb. You don't need me to tell you that Gerald writes great songs but I believe this is one of his best. I love the way he put the song together and the way the Collingsworth Family sings it. "What Noah Knew" is a different style song but I loved it! The song is a catchy tune. One of my favorite hymns is "It Is Well With My Soul" so I naturally was thrilled to see that Kim put it on this project as a piano solo!

I live in Pennsylvania right in the middle of Courier's country and Neil Enloe wrote a song several years ago that the Collingsworth Family

brought back! "More Than Just A Swear Word" is the song what a thrill to hear it sung again and sung by the Collingsworth's Children! A great testimony from some very nice young people! "In Awe" is exactly what we are when we think of God's Glory and Grace! "God Can Do Anything" features the family ensemble again and what more do you need to say, God can do anything! The youngest Collingsworth is Olivia and she's as talented as the rest! She sings "My Favorite Things." The final song on the project is a power ballad titled "Blessed Be The Lamb."

I have already said that I am an official member of the Collingsworth Family fan club! The group is the most talented group traveling today. Their vocal abilities are awesome and add to that their instrumental abilities and you have a winning combination. The 14 songs on this project are all performed very well and the production is great. My favorite songs on the project are "God Can Do Anything," "More Than Just A Swear Word" and "God Whispers." I love the entire project and it's going to be a long time before it comes out of my CD player! For more information on the Collingsworth Family, visit www.thecollingsworthfamily.com.
