Way" is a beautiful song that reminds us that no matter what we are going through, God is right there to help us.

"A Song In The Night" is another song of hope for those going through a trial. "Death On The Cross" reminds us of the price God paid on the Cross and also reminds us that He died in our place. A great song with a wonderful message. "More Than Enough" is a beautiful melody reminding the listener that God is so much more than enough to face anything here on earth. "Heaven In Your Heart" is a cool song! It's an up tempo song and it reminds us that if we know God and follow His leading, we can have a little Heaven in our heart!

"Which Side Of The Cross" is another beautiful song that holds a unique, but very good, message. The perspective of the Cross and the God's Salvation call is a little different than most I have heard but it needs to be heard and I love it. "Mighty Strong Hand" is another song reminding us that God will lead us through life and that His mighty strong hand is holding ours. The final song on the project is "I'm Right Here" and it's another strong song from this group.

It appears that the three group members of Victory Song have written each of the songs on the project. The songs are all better than average songs. The vocal presentations on the songs are also better than average. I really enjoyed the project and getting acquainted with group. My favorite songs from the project are "Heaven In Your Heart," "Which Side Of The Cross" and "Highway To Home." The entire project has ten great songs and Victory Song has hit a home run with this project! For more information on the group, visit www.victorysonggospel.com.
