This is the second project that we have received from Faith 3 and this talented ladies trio can always be counted on to provide us with a high quality project. This project is that and the twelve songs on this project are all awesome.

"Treasure" is the opening song on the project and this song talks about God being the Treasure that we treasure. A neat concept for a song and the ladies of Faith 3 deliver the message perfectly. "God's Been Good To Me" is a faster pace that talks about how good God has been to us. I certainly can't argue with that concept or thought and I very much enjoyed the song. The tempo slows down again on "He's Still With Me." It reminds us that God has been with us through every trial and temptation and he is still with us! "He Will Make A Way" picks up the tempo once again. Faith 3 sings with tremendous harmony and this song is a great example of that.

"He Was There" was written by group member Lora Poore. This is a song of encouragement for anyone going through a trial as it reminds us that God is there to get you through each and every day! "To Be Like You" was written by another group member, Janine Rigstad. This song expresses the desire to be like Christ in all ways. The next song picks up the pace once again and "He'll Be" is a song reminding us that God will be anything we need. "For The Angels" is the next song and the song is a great expression of thanks for the angels that surrounds each and every minute of our lives.

"Brand New Mansion" kicks off a great beat and the song has a great message too! It is a song about our mansion in Heaven and I can't think of any greater thing to dwell on than that! "Planting Flowers" is a

story song with a touching message. "When I Get There" was written by Jimmy Dooley and it talks about the time that we will have once we get in Heaven! The final track on the project is titled "It's So Peaceful." It is an awesome a cappella arrangement that Faith 3 really showcases their harmonizing abilities on. The message is also great as it talks about the peace we find in the arms of the Lord.

Faith 3 is a talented trio. These three ladies can really sing and if you put those abilities with some great songs and production, you will get a winning combination. The group also has some songwriters which never hurts! Picking favorites from this project was not easy since there were many very good songs but I finally decided on "He Will Make A Way," "He Was There" and "Brand New Mansion." Again, this group is incredibly talented and if you enjoy good, solid harmonies in a Southern Gospel style, this is a group you will enjoy!
