The Dills have come on to scene over the past few years and they are incredibly talented. Their latest project is titled "Uncommon" and that describes the group as well. You will enjoy every single song on this project by this group.

"I Will Go The Distance" is a great song that states that we will go the distance with Christ. The next song is an upbeat one with "Fight To The Finish." What a great song written by Rebecca J. Peck that reminds us that life is a fight to the finish. The next song slows it down tremendously as "I Carried His Cross" gives a unique perspective of the man who carried Christ's Cross.

"To Worship You" is a proclamation to Christ that we only want to worship Him. "The Closer I Get To The Cross" is a beautiful, slow song. It talks of how the closer we get to the cross, we see God's Holiness and our sinfulness. It's a great song that each person should listen to. "The Sound Of His Voice" reminds us of the power of God's Voice and Words!

The title song of the project is next and "Uncommon" is a song that describes what Christ did for us and how uncommon it was. "Wonder Working Power" picks up the pace once again and it simply reminds us that if you need redemption, you need Christ's Wonder Working Power. A great upbeat song with an upbeat message. The project ends with another upbeat song titled "God Will Go." I love the message of the song as it speaks of God going before us and clearing a path to our victory.

The Dills are a very talented group. They appear to be a young group as well but the one certainty is that this group can flat out sing! The production and song selection is very good on this project but it is the vocal presentations that make this project exceptional. My favorite songs from the project are "God Will Go," "Fight To The Finish" and "The Closer I Get To The Cross." The entire project has nine songs and they are all favorites in my book. If you have not heard this group before, please get a copy today and begin enjoying them! For more information on this fast rising group visit www.thedills.net.
