When you begin listing the top quartets traveling today it will not be long before you are listing Legacy Five! Legacy Five has been traveling and singing for several years now and they have certainly taken their place amongst the very best male quartets in the industry today. Their latest project is titled "Great Day" and it is another fantastic project from this fine quartet!

The project begins with an absolutely classic song. It is the title cut of the project and "Great Day" is a wonderful quartet song that the guys of Legacy Five sing to perfection! The next song on the project is a slow melody titled "Christ Is Still The King." What a fantastic song that reminds us that Christ is still the answer to everything in our lives and that Christ is indeed, still the King. The tempo picks up once again with "That's A Hallelujah." This song talks of the many hallelujahs that God has performed!

"So Many Things" is another song that reminds us of the many blessings that we should be thanking God for. It is a wonderful song that reminds the listener of the many things in their life they have to be thankful for. Next on the project is a medley of familiar Southern Gospel Music songs including "What A Happy Day," "Everybody Will Be Happy," "I'll Live In Glory," "When We All Get To Heaven," "I'll Have A New Home," "Heaven's Jubilee" and "Everybody's Gonna Have A Wonderful Time Up There." It is a medley of great songs that you will enjoy hearing again! "Only The Living" slows things down tremendously but you will absolutely be blessed by this beautiful song. It reminds the listener that the only ones who regret the passing of a Christian is those that are still living in this world. What a great idea for a song and what a wonderful delivery of this awesome message. The next song on this project is titled "Who Is This Man." This song talks of the many men that Jesus Christ was on this earth!

“He Heals” is the next song on this project and the beautiful message in this song conveys that God does heal all things, physically and emotionally, and He will heal and restore you! Next on the project is “He Is To Me” and it describes what an incredible Savior He is to each and every Christian. The final cut on this project is titled “Great Medley” and it includes a medley of some amazing songs including “Great Is Faithfulness,” “How Big Is God” and “How Great Thou Art.”

Legacy Five has recorded a number of fantastic projects over the years but this one, I believe, is destined to go down as one of the best ever recorded by this group. Everything about this project is great, including the production quality, the song selections, the orchestration and, of course, the vocal presentations. My favorite songs on this recording are “Christ Is Still The King,” “He Heals” and “Great Day.” Legacy Five is a talented group and this project proves that in every single way!
